TUBAC ART & GIFTS

Tubac Art and Gifts is a gallery and gift shop in Tubac, Arizona that is all about fine art (original and archival quality giclees) and handcrafted gifts. We think of art as funny, inspiring, deeply moving---it can add color to your walls or dimension to your life. Our current collection blazes with talent from from over 50 notable local, regional, and international artists. Their artwork is modern, sophisticated, and powerful. Our trove of handmade crafts and gifts, including jewelry, pottery, glass art, functional wood art, apparel, clocks, mirrors, and home decor has equal flare—all one-of-a-kind.
